... About the Speakers

Patricia Ashley, “Unlocking the Treasure in Your Pit” Parts I & II

Pat has a God-given ability to communicate with a rare combination of authority, practicality and humor. While standing on the authority of the Word of God, she remains warm, giving and easy to touch. As she shares the reality of her life experiences, her stories are laced with humor yet filled with wisdom and sage counsel. Although Pat is a noted conference and seminar speaker, many benefit from her personal ministry of exhortation where she speaks the truth in love. Pat comes to minister to us from Moreno, CA and **has also been featured on Focus on The Family**

Minister Lynn Denise Mays, “Bound Up but Now Set Free”

Minister Lynne’s journey through life’s ups and downs led her right in the arms of Jesus. It is her transformational testimony that sends her daily to the battle front to win souls, at any cost, for the Kingdom of Jesus Christ. She graduated from Love Center Bible Institute while concurrently attending Bible classes with the Whole Armor of Ministries where she currently serves on the Evangelist Team. Minister Lynn plans to continue her education in public speaking and on her endeavor by God as an Evangelist. Her message on relationships, the traps and snares set by the enemy, is one you don’t want to miss from one who has truly over come. Minister Lynn comes to minister from Cleveland, OH

Lyzona Marshall, “Forgiving the Unforgivable: Mending the Broken Covenant”

A native of Orlando, FL, Lyzona Marshall is the oldest of 10 children and the daughter of a pastor. She is the single parent of a daughter now age 25. At 37, she married her best friend and then divorced after 3 years. She relocated to southwest Pennsylvania to restart her life. Lyz demonstrates an enthused and focused spiritual relationship with Jesus that has not allowed the venom of bitterness and unforgiveness to take root in her heart. Lyz brings a message of blessing to women and the spirit of righteousness in relationships. She has earned a B.Sc. in Business Administration; a M.B.A, and is finalizing her Doctor of Business Administration degree, with research interests in entrepreneurship and leadership development.

Constance Spearman, “Sow Your Way Out”

“I’m a soldier, in the army of the Lord – I have a warrior’s spirit.” Connie endured many trials and obstacles including homelessness and living in condemned housing. Nonetheless, she maintained the spiritual fortitude to keep faith for a better tomorrow. Connie started a home-based business with only one employee that has grown to 100 employees. As owner and President of a now multimillion dollar business, Connie gives a succinct Bible-based plan to grow from rags to riches.
